The events to be run off consist of a one mile, novice; half mile, scratch; two mile handicap and one mile handicap. In addition to these events there will be a half-mile match race between Edgar Fiske, Jr., the mascot of the Brooklyn Bieycle Club, and George Cooke, Jr., who holds the same honor among the Harlem Wheelmen, Mockridge, of the Harlem Wheelmen, will be paced by a triplet in his attempt to beat the track record. The referre of the meet will be John C. Wetmore, the official handicapper of the New Jersey Division, I. A. W.

has all gone to the railroads which do not charge exorbitant rates to wheelmen.

Many guesses have been made as to the probable result of the coasting contest to be held on Cedar Grove Hill on Saturday, under the auspices of the Metropolitan Association of Cycling Clubs, and every manufacturer is certain that his wheel will be to the front. The bill on which this contest will be held is on the Pounton turnpike, fast about a mile herond the top of Montclair Hill. It is admirably suited for the purpose, is free from rough spots, with little traffic on it, and almost straightaway. The following officials will serve: Referce—A. Among the features of the Atalanta Wheelmen's race meet to be held at Waverley Park on Angust 22, will be a team race between the Newart policemen, letter carriers and firemen. Although it is conceded that the letter carriers will have an easy thing from the fact that many of them use their wheels daily in the discharge of their duties, still, the "fire-fighters" and "coupers" intend to make a hot fight for the prizes. The quad team of the Kings County Wheelmen, of Brooklyn, will be present for exhibition purposes and will probably pace Charley Earl and Bert Ripley in trials against existing records. Entires close on Angust 15, with C. H. Budd, Box 35. Newark, N. J.

Bieycle races will be a feature at the fifty-fifth annual exhibition of the Queens County Agricultural Society at the Fair Grounds, Mincola, L. L. on September 23, 24, 25 and 25. A race open to amateurs will be run each day, with diamonds as first prizes. Entry Blanks can be secured from Thomas Lloyd, Owens County. L.
